### Severe Weather Outbreak Update

**Pearl** – One person was killed, two injured and seven are displaced after a tornado ripped through mobile homes in the Wayside community of Washington County yesterday.

MEMA does not have details about the fatality or injured residents at this time.

Several other counties reported damage from the severe weather outbreak yesterday.

The following counties have reported damage to MEMA:

- **Attala:** Trees down.
- **Bolivar:** Trees and power lines down, one house with minor damage.
- **Carroll:** Trees down.
- **Humphreys:** Tree limbs downed and one camper rolled over.
- **Leflore:** Trees down.
- **Monroe:** Two homes uninhabitable; power lines down.
- **Montgomery:** One home with roof damage; trees down in Duck Hill community; trees down in Winona.
- **Sunflower:** Numerous trees and power lines down; one home with roof damage.
- **Washington:** Approximately 15 mobile homes damaged; three mobile homes destroyed; one fatality because of an entrapment.
